Muhammad Umar
N a s i r

Web Desginer and Developer

// Summary

Strong in design and integration with intuitive problem-solving skills. Proficient in different programming languages. Passionate about implementing and launching new projects. Ability to translate business requirements into technical solutions. Looking to start my career as an entry-level software engineer with a reputed firm driven by technology.

// WORK EXPERIENCE

02/2022 – Presente — **Freelancer**
Fiverr

As a freelancer, I completed many projects. I provide many services like Web Designing, Web Develop and Programming related task. I also mention my work in my portfolio. Hope you like my work and in future you will recommend me as best freelancer.

11/2021 – 01/2022 — **Web Designer**
PASCO

The Pakistan Automation Solution Company is located in Bahawalpur. The company provides a wide range of services, but I joined as a web designer intern. For this company, I created a website called Maryam Puri Fabric from scratch.
